Volleyball in matt PVC

Ref. 9854

Reference	9854
Composition	PVC
Material	PVC
Average weight	0.253
Dimensions	Ø19CM
Country of origin	China
Carton	50 pieces

DESCRIPTION

Volleyball model Volley in matt PVC with a rubber inner bladder, designed for recreational outdoor play and training. The ball measures Ø19CM and features stitched panels that provide a secure grip and a textured surface for easier control. Suitable for clubs, schools, events and leisure use; wipe clean with a damp cloth.

The stitched-panel construction helps the ball hold its shape during recreational use, while the matte finish reduces glare. Compact and lightweight, it is well suited to demonstrations, beginner training and event giveaways. Available in multicolour.

Customisation available from 25 pieces (minimum) using transfer printing, DTF printing or flex depending on the desired finish. Recommended for companies, sports clubs, associations, schools and individuals seeking a personalised volleyball for events, promotional gifts or club equipment. Free quote within 24 hours on weekdays; collection in Evere or delivery in Belgium, France and Luxembourg.
