DESCRIPTION

The Visioncork cork-covered notepad is a paper office accessory designed for everyday note-taking and organisation. The rigid cork cover protects two self-adhesive pads: a large pad of 50 sheets and a medium pad of 25 sticky sheets made from recycled paper. Cork is a 100% natural material with a slightly textured surface; the product measures 8 x 1.7 x 10.5 cm and sits neatly on a desk. The item is FSC®-certified and the adhesive pads are easy to tear off and reposition for routine use.

Inside, the layout combines a large note pad with a column of five coloured adhesive markers for tagging pages or highlighting information. The rigid cover keeps the pads secure and makes the set convenient to carry. Due to the cork's porosity and structure, printed results can vary slightly from piece to piece.

Customisation options include embossing, laser engraving and screen printing on the object; suitable for companies, sports clubs, associations, events and corporate gifts. Minimum order: 50 pieces (colours and sizes combined). We provide a free quote within 24 hours on weekdays and have a design studio to vectorise or retouch your logo. personalised paper office accessory.
