DESCRIPTION

The Foldpet foldable shopping bag in RPET is designed for everyday, sustainable use. Its simple rectangular shape with wide integrated handles makes it easy to carry shopping or daily items. The bag folds into a small pouch with a drawcord for compact storage; overall size is 38 x 40 cm. The RPET fabric gives a lightweight yet durable feel and is straightforward to care for.

Details focus on function: reinforced stitching at the handles for improved durability and a built-in pocket with a drawcord to fold the bag neatly. The flat profile allows it to slip into a larger bag once folded, making it practical for retail, trade shows or as a customer giveaway.

This personalised shopping bag can be branded by screen printing, multicolour transfer, DTF printing, flex or sublimation depending on the finish you want. Intended for companies, clubs, associations and events, the product has a minimum order of 150 pieces (colours combined); smaller quantities may be possible with additional fees. Free quote within 24 hours on weekdays and our graphic studio can vectorise your logo.
