Material	PC
Average weight	0.029
Dimensions	14 x 14 x 4.5CM
Country of origin	China
Carton	300 pieces

DESCRIPTION

The Aloha sunglasses combine a PC front with bamboo temples for a natural, lightweight feel. Mirrored lenses provide UV400 protection. As bamboo is a natural material, the color and grain of the temples vary from piece to piece. The frameless front and contemporary proportions (14 x 14 x 4.5 cm) make this model suitable for outdoor use and promotional giveaways.

The design features simple wooden temples attached to the front with small metal hinges, with a clean, minimalist finish and easy maintenance—use a microfibre cloth to keep lenses and temples clear. The PC front ensures good durability for everyday outdoor activities.

These personalised sunglasses can be marked by laser engraving or pad printing, depending on the desired effect and marking area (bamboo temples or PC front). Suitable for companies, clubs, associations and events. Minimum order: 150 pieces (colours and sizes combined); smaller quantities are possible with additional fees. Free quote within 24 hours on weekdays and a graphic studio is available to refine or vectorise your logo.
