DESCRIPTION

The "Cuida Set" bath kit includes a sponge, pumice stone and shower pouf, presented in a jute pouch with a PEVA window. The items are made of EVA and the compact dimensions (22.5 x 15 cm) make it a practical gift for events, hotels or welcome packs. The kit is easy to rinse and maintain, while the pouch protects and displays the contents through its clear window.

The drawstring pouch closes simply for tidy storage and presentation. The jute finish gives a natural, durable look and the PEVA window allows quick identification of the items without opening. Its size suits distribution at receptions, retail points or promotional stands.

This personalised bath set can be decorated by flex, screen printing on objects, multicolour transfer and DTF printing — suitable for companies, sports clubs, associations, events and corporate gifts. Minimum order: 50 pieces (colours and sizes combined). Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
