DESCRIPTION

A practical toiletry bag for care and organisation while travelling, the Cote Bag measures 26 x 64.5 cm and features a hook for hanging. Constructed from PET, it includes multiple mesh pockets, a zipped top pocket and a separate PEVA compartment ideal for wet items or toiletries. Its slim vertical shape stores brushes, bottles and accessories neatly; wipe-clean surfaces and airing after use keep it hygienic.

Useful details include clearly separated compartments — mesh pockets for small items, a zippered pocket for secure storage and a transparent PEVA compartment to isolate liquids. The metal hook allows easy hanging in cabins or bathrooms, and the reinforced edging improves durability under regular use.

This is a personalised toiletry bag suited to companies, sports clubs, associations, events and corporate gifts. Customisation options include multicolour transfer, DTF printing, flex and object screen printing. Note the minimum order of 50 pieces (colours and sizes combined).
