## DESCRIPTION

The Petit Coloret is a compact writing product comprising six wooden pencils housed in a wooden pencil-shaped case. At 13.5 x 3 cm and crafted from wood, it offers a tactile, natural feel and simple care — wipe with a dry cloth and avoid prolonged moisture.

The case features a removable cap protecting the pencils and provides a playful presentation suitable for schools, corporate gifts or event giveaways. The wooden construction gives it good durability for everyday handling while remaining an eco-friendly-feeling option. The item is supplied in one finish (wood).

This personalised writing product can be customised using digital printing or pad printing. Targeted at companies, clubs, associations, schools and private customers, it has a minimum order quantity of 75 pieces (colours and sizes combined); smaller quantities may be possible with additional charges. Our graphic studio can vectorise or retouch your logo; collection from our Evere workshop or delivery in Belgium, France and Luxembourg is available.
