Reference	9877
Composition	Bamboo
Material	Bamboo
Average weight	0.008
Dimensions	19 x 1,5 x 1,7 CM
Country of origin	China
Carton	300 pieces

DESCRIPTION

The Dentobrush is a bamboo-handled toothbrush designed for everyday use. It features nylon bristles for effective cleaning and a lightweight bamboo handle with natural variations in grain and tone. Supplied in a kraft paper box, the brush measures 19 x 1.5 x 1.7 cm and is suitable as a promotional item or gift. Rinse after use and allow to air dry to protect the handle.

The slim, slightly curved handle provides a secure grip while the compact head reaches tighter areas. As bamboo is a natural material, each piece may show slight differences in appearance. The product is FSC 100% certified and offered in several colour options, including Black and White.

Customisation is available from 150 pieces: techniques include laser engraving, pad printing, digital printing, doming and screen printing on objects. Ideal for businesses, clubs, associations, schools and individuals seeking sustainable promotional personalised toothbrush solutions.
