DESCRIPTION

The Veggie Rpet shopping bag in RPET (30x40cm) is designed for light grocery use and carrying dry items. Made from RPET, it provides a breathable, sturdy feel and features a PP drawcord at the top for quick closure. A patch pocket on the front offers a convenient place for a receipt or small item. The bag comes in 1 colour (white) and folds flat for easy storage.

In everyday use the drawcord keeps the bag closed and the visible seams add strength along the edges. Care is straightforward: rinse with warm water and air dry. Its compact size makes it simple to tuck into a basket or drawer.

Personalise this personalised shopping bag by screen printing on objects, multicolour transfer, DTF printing, flex or sublimation. Suitable for businesses, sports clubs, associations, events and private customers looking for a reusable, eco-friendly option. Minimum order: 250 pieces (colours and sizes combined).
