DESCRIPTION

The Paperlunch is a compact 3 L lunch bag designed to keep meals insulated while on the move. It features an internal PE foam insulation layer and an exterior with a paper-like woven finish that keeps the weight low. The tall, rectangular cut makes it easy to fit a lunchbox and a small bottle. Care is straightforward: spot-clean the insulating liner as required.

The bag includes a flat front pocket for cutlery or notes and a roll-top style closure that provides a wide opening for loading. Reinforced side seams give the bag good shape retention, and the dimensions 19 x 12 x 37 cm suit daily commuting or outdoor use.

You can order this personalised lunch bag using tampography or screen printing on objects, processes suited to aluminium and the exterior surface. Recommended for companies, clubs, schools, events or client giveaways. Minimum order: 25 pieces (colours and sizes combined). Free quote within 24 h on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
