Material	PP
Average weight	0.035
Dimensions	28 x 35CM
Country of origin	China
Carton	150 pieces

DESCRIPTION

The Carrydraw non-woven drawstring bag is designed for children's colouring activities: one pre-printed side to colour in, supplied with five felt-tip pens. Its 28 x 35 cm size provides a generous drawing area while the simple drawstring closure makes it easy to carry. Made from PP, the bag is lightweight yet sturdy enough for schools, youth groups and events; spot-clean with a damp cloth to maintain the printed artwork.

The bag features cords that double as shoulder straps and eyelets to reinforce the attachment points. There are no zips or complex fastenings, which keeps it child-friendly and easy to use. It comes in several colours, such as White, Lime and Baby Blue, and pairs well with other giveaway items for workshops or promotional campaigns.

As a personalised drawstring bag it is well suited to companies, clubs, associations, schools and private customers organising creative activities. Available decoration techniques include flex, screen printing for objects, multicolour transfer and DTF printing. Minimum order: 75 pieces (colours and sizes combined); smaller quantities may be possible with additional fees. Our in-house studio can refine or vectorise your logo if needed.

COLOURS (3)

White

Lime

Baby Blue
