DESCRIPTION

RPET microfibre cleaning cloth designed for caring for eyewear and screens. This 13 x 13 cm square cloth provides a soft, non-abrasive surface suitable for sunglasses, phone and tablet displays or TV screens. The RPET fabric gives a fine feel and reliable performance; care is straightforward with gentle handwashing or a light machine cycle if required.

The cloth features pinked edges to improve handling and prevent fraying during frequent use. Its compact size slips easily into a case or pocket, making it practical for events, retail packs or giveaways. Available in 1 colour, for example white.

Customisation options include Sublimation, screen printing (object) and DTF printing, making this item suitable for companies, sports clubs, associations, events and private customers seeking a useful promotional product. Minimum order: 1250 pieces (colours and sizes combined). Our design studio can retouch or vectorise your logo; free quote within 24 hours on weekdays, standard production 10 working days, collection in Evere or delivery in Belgium, France and Luxembourg. personalised sunglasses
