DESCRIPTION

Mayen Set bamboo salad servers, designed for everyday kitchen use. Made from natural bamboo, each set includes a serving spoon and a slotted serving fork measuring approximately 33.5 x 10 x 0.6 cm, suitable for salads and cold or warm dishes. The bamboo gives a warm, smooth feel and natural colour variations between batches. Care is simple: avoid prolonged dishwasher cycles and allow to air dry after rinsing to preserve the material.

The product image shows the set supplied with a slim drawstring pouch, useful for storage and transport. Handles feature a small hole for hanging, and the pieces appear sanded smooth with no sharp edges for comfortable handling.

These personalised kitchen utensils can be decorated by screen printing, multicolour transfer, DTF printing, flex and laser engraving. Recommended for companies, sports clubs, associations, events or as corporate gifts; minimum order: 60 pieces (colours and sizes combined). We provide a free quote and a graphic studio to retouch or vectorise your logo.
