DESCRIPTION

The Utah RPET bottle, 500 ml, is designed for everyday use: lightweight and durable thanks to RPET, suitable for water and non-carbonated drinks. Its slim profile (Ø6 x 20.5 cm) offers a comfortable grip and a screw cap ensures leak resistance. Easy to clean with warm water; not recommended for carbonated beverages.

The straight, minimalist shape features a wide neck for simple refilling. A carry loop with wrist strap makes it easy to transport and attach to bags. The model comes in multiple colours, for example Transparent, Royal Blue or Black, offering a practical capacity for commutes and events.

Customisable from 30 pieces, this personalised bottle can be marked by DTF printing, screen printing on objects, pad printing (tampography), doming or laser engraving. Well suited to companies, sports clubs, associations, schools and promotional events; free quote within 24 hours on weekdays, collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
