Average weight	0.304
Dimensions	30 x 20 x 25 CM
Country of origin	China
Carton	25 pieces

DESCRIPTION

Insulated cooler bag in RPET, model Icecube, ideal for carrying drinks and food for a day at the beach, a picnic or on holiday. Its 30x20x25 cm compact cube shape houses two separate insulated compartments (PEVA lining and foam insulation) so you can keep items cool and organised. A fully adjustable shoulder strap makes transport comfortable and the RPET fabric offers a more sustainable option.

The bag includes a front pocket for small items and double zips on each compartment for easy access. The two-tier layout helps prevent mixing of temperatures and simplifies organisation; the interior wipes clean thanks to the PEVA lining.

This personalised cooler bag is available for companies, sports clubs, associations, events and private customers from a minimum order of 13 pieces (colours and sizes combined). Personalisation techniques: screen printing on items, multicolour transfer, DTF printing or flex. Our design studio can vectorise or refine your logo and provides a free quote within 24 hours on weekdays; standard production and express options are offered, with collection in our Evere workshop or delivery in Belgium, France and Luxembourg. Available in several colours, for example Black, Blue and Dark Green.
