## DESCRIPTION

The Visiwaist bum bag is a sports and outdoor bag designed for everyday use. Its front panel is made from highly reflective PET polyester to improve visibility, and the curved silhouette with dimensions 35.5 x 14 cm holds essentials without bulk. An adjustable polyester strap with plastic buckle allows comfortable wear around the waist or across the body.

The top zip with puller gives easy access to the main compartment; the smooth reflective finish and slim profile help the bag sit close to the body, practical for urban commutes and outdoor activities.

This item can be customised by screen printing on items for companies, clubs, associations and events. It is not available per piece: minimum order 50 pieces (colours and sizes combined).
