DESCRIPTION

Small jute gift bag, approximately 14 x 22 cm, designed for small promotional items or presents. The jute fabric gives a natural, textured feel with good structure. It closes with a simple drawstring cord that keeps contents secure without a rigid fastener. The model is available in several colours, for example beige.

Its minimalist construction makes it easy to fill and reuse — practical for trade shows, events or retail gifting. Visible side seams and a reinforced top hem for the cord ensure straightforward handling and a tidy finish. The compact size is suitable for welcome gifts, small product samples or branded giveaways.

This personalised gift bag can be customised using flex, multicolour transfer or DTF printing, depending on the desired look. Minimum order: 250 pieces (colours and sizes combined). Recommended for companies, sports clubs, associations, events and private customers. Our studio can retouch or vectorise your logo and we provide a free quote within 24 hours on weekdays.
