DESCRIPTION

Bath towel in organic cotton, sized 100 x 50 cm, suitable for hotels, guesthouses and sports clubs. The Terry model at 360 g/m² provides good absorbency and a soft, plush feel, designed for frequent use and easy machine washing. Available in several colours, including black, blue and ivory, it suits professional and collective settings.

The image shows a broad woven border typical of the Terry design, which helps position the decoration. Seamed edges appear reinforced to reduce fraying after repeated washes, and the standard rectangular dimensions 100 x 50 cm make it practical for changing rooms, guest bathrooms and sports kits.

This personalised bath towel can be decorated by embroidery, screen printing, multicolour transfer, flex or DTF printing. Minimum order quantity: 16 pieces (colours and sizes combined). Recommended for businesses, hotels, clubs, associations and individuals seeking an eco-responsible, branded textile.
