DESCRIPTION

The Lucy Lux pocket multi-tool is a compact, versatile accessory designed for everyday use by individuals or field teams. Its stainless steel construction provides strength while remaining lightweight, and the bamboo scales offer a natural, comfortable grip. Measuring 9 x 2 x 1.5 cm, it fits easily in a pocket or tool kit. As bamboo is a natural material, slight variations in colour and grain may occur between items.

The tool includes 9 functions: blade, saw, scissors, bottle opener, screwdriver, corkscrew and other common implements, visible on the photo. The stainless steel components are straightforward to maintain — rinse with warm water and dry promptly to reduce the risk of corrosion. Its compact format makes it a practical giveaway for events and promotions.

This personalised tools and torches item can be marked by laser engraving or pad printing. Suited to companies, clubs, associations and events, it is supplied with a minimum order of 60 pieces. Our studio can prepare or vectorise your logo; free quote within 24 hours on weekdays.
