DESCRIPTION

Double-walled stainless steel cup with a bamboo exterior, 250 ml capacity, suitable for hot and cold drinks. The bamboo sleeve provides a pleasant grip and a natural look; as a natural material, bamboo may show colour and grain variations between items. Compact size Ø8 x 10 cm makes it convenient for bags, desks or takeaway use.

The interior is stainless steel and the lid is plastic with a drinking opening designed to reduce spills during transport. Stainless steel trims offer durability, while the bamboo surface benefits from gentle care (hand washing recommended to preserve the wooden finish).

Order this personalised cup with laser engraving or pad printing for companies, sports clubs, associations or promotional gifts. Minimum order quantity: 36 pieces (colours and sizes combined); smaller quantities can be produced with additional fees. Free quote within 24 hours on weekdays and our artwork studio can prepare or vectorise your logo.
