DESCRIPTION

The Dundalk gift set is designed as a whisky accessory pack. It contains nine reusable stones presented in a bamboo case, together with a cotton pouch and small tongs; as bamboo is a natural material, individual items may show slight variations. External dimensions are 13.2 x 11 x 3.8 cm. Minimum order quantity: 15 pieces (colours and sizes combined).

The box features a metal clasp and a simple internal layout to keep the components secure. Care: rinse the stones after use and allow them to dry in the pouch; wipe the bamboo case with a dry cloth to maintain its natural finish.

Customisation can be applied to the box or inner plate by digital printing, doming, laser engraving, pad printing, screen printing on objects, multicolour transfer, DTF printing or flex. Suited as a personalised gift set for companies, sports clubs, associations, events or private clients; free quote within 24 hours on weekdays.
