DESCRIPTION

Unisex bamboo stylus pen with a slim cylindrical profile (Ø1.1 x 14.1 cm), designed for everyday office use and events. The bamboo body offers a natural feel and understated look; as a natural material, slight variations in tone and grain may occur between items. Push-button mechanism with blue ink and a soft stylus tip at the top for touchscreen use.

Chromed metal details — clip, tip and top ring — give a balanced weight and practical finishing. Its slim format is comfortable for extended writing and slips easily into a notebook or pocket. Care is simple: wipe with a soft cloth and avoid prolonged immersion to keep the bamboo's appearance.

Personalise this product as a personalised writing item using suitable object techniques: screen printing, laser engraving, pad printing or digital printing.
