DESCRIPTION

The Hello Clip is a wooden desk accessory featuring a small cube base with a slender metal stem topped by an alligator clip, designed to hold photos, cards or notes upright. Its compact footprint (2.4 x 2.4 x 11.5 cm) keeps it stable yet unobtrusive on reception desks, tables or workstations. As it's made from natural wood, slight variations in grain and shade may occur between items.

Built for everyday use, the block base provides weight and balance while the flexible stem and metal clip suit a variety of paper formats. Care is minimal — regular dusting preserves its appearance.

Customisation is available by laser engraving or pad printing, ideal for adding a small logo, name or table number. Recommended for companies, clubs, associations, events and private customers. Minimum order: 500 pieces (colours and sizes combined) — lower quantities can be arranged with additional fees. Free quote within 24 hours on weekdays; our design studio can vectorise or retouch your logo.
