Reference	9948
Composition	Metal
Material	Metal
Average weight	0.025
Dimensions	Ø4 x 7,5 x 0,4CM
Country of origin	China
Carton	200 pieces

DESCRIPTION

The Ballarat keychain pairs a zinc alloy base with a natural bamboo surface, designed for everyday use. Its circular shape and classic split ring accommodate several keys without bulk; the metal surround gives a neat, durable finish. Bamboo is a natural material so slight variations between pieces are to be expected. Compact dimensions (Ø4 x 7.5 x 0.4 cm) make it easy to carry in a pocket or bag.

The construction features a flush metal-to-wood junction and a sturdy split ring for secure attachment. The straightforward design requires no complex closures — just a robust, easy-to-handle piece. Care is simple: wipe the bamboo with a damp cloth and polish the metal with a non-abrasive cloth when needed.

This personalised keychain is well suited for businesses, clubs, events and promotional campaigns. We offer personalisation by digital printing, doming, laser engraving or pad printing depending on the desired finish. Minimum order: 100 pieces (colours and sizes combined). Free quotes within 24 hours on weekdays; collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
