Reference	9949
Composition	Metal
Material	Metal
Average weight	0.022
Dimensions	7 x 4 x 0,3CM
Country of origin	China
Carton	200 pieces

DESCRIPTION

This house-shaped keyring pairs a metal alloy frame with a bamboo panel, offering a compact accessory (7 x 4 x 0.3 cm) suited to house keys or small badges. Bamboo is a natural material so slight variations in colour and grain may occur between items; these do not affect durability. The Burnie model is solid, discreet and simple to care for.

The photo shows the metal edging around the bamboo insert and the precise house silhouette, with a robust connection between the ring and the fob. Please note this item is sold by batch: minimum order 100 pieces (colours and sizes combined).

Personalise this personalised keyring using digital printing, doming, laser engraving or pad printing to match your branding. Suitable for estate agents, companies, associations and promotional events; our studio can vectorise your logo and include the marking in the free quote.
