DESCRIPTION

A bamboo tea box (14x14x7.5 cm), model Campo Tea, with four compartments that hold up to 24 tea bags and a lid featuring a clear window for easy content display. The bamboo construction gives a warm, natural look; variations in colour and grain are normal and make each item individual. Care is straightforward: wipe with a damp cloth and avoid prolonged immersion.

The product photo shows neat internal dividers and discreet hinge fittings for reliable use. A small front notch allows effortless opening of the lid and the simple finish highlights the raw bamboo aesthetic while keeping the design practical for daily use.

Personalise this personalised tea box by DTF printing, doming, laser engraving or pad printing for corporate gifts, cafés and hospitality, clubs and associations, events or private presents. Minimum order: 15 pieces (colours and sizes combined). Our design studio can retouch or vectorise your logo and include the marking in the quote.
