DESCRIPTION

Compact weather station with a bamboo finish, designed as a desk accessory. The square-shaped unit integrates an LCD display showing time, temperature, humidity and a calendar. The body is ABS with a natural bamboo face that offers an attractive, low-maintenance surface. Dimensions: 13 x 2.3 x 13 cm. Requires 2 AAA batteries (not included).

The clear digital display allows quick reading of meteorological and time data; the flat base ensures stable placement on a desk or reception counter. As a natural material, bamboo shows slight grain variations that give each piece individual character without affecting performance.

Customisation available for a personalised desk accessory by laser engraving or pad printing. Ideal for companies, associations, clubs and promotional events. Minimum order quantity: 20 pieces (colours and sizes combined). Our graphic studio can retouch or vectorise your logo and we provide a free quote within 24 hours on weekdays. Collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
