Average weight	0.028
Dimensions	8 x 3,2 x 0,4CM
Country of origin	China
Carton	200 pieces

DESCRIPTION

The Bendigo rectangular keyring pairs a zinc alloy frame with a natural bamboo surface, suitable for everyday use. Its compact size (8 x 3.2 x 0.4 cm) keeps keys organised without bulk. As bamboo is a natural material, slight variations in grain and shade may occur between items.

The pictured model features a polished metal bezel surrounding an inset bamboo panel and a sturdy round split ring. Clean edges and a flat profile make the keyring easy to carry in a pocket or bag and provide a stable area for branding that remains legible in use.

This personalised keyring can be customised by digital printing, doming, laser engraving and pad printing for companies, sports clubs, associations, events and private orders. Minimum order: 100 pieces (colours and sizes combined) — lower quantities may be possible with additional fees. Free quote within 24 hours on weekdays and a graphic studio is available to vectorise or refine your logo.
