DESCRIPTION

The Tundra lunchbox is a 800 ml soda-lime glass container designed for carrying and storing meals. This unisex model features a clear glass box with a natural bamboo lid and a silicone band to keep the set closed. As bamboo is a natural material, slight variations in colour and size may occur. Dimensions: 20 x 15 x 6 cm; care: wash the glass by hand or in the dishwasher according to common guidelines and wipe the bamboo lid with a damp cloth – avoid prolonged immersion.

The rectangular shape and smooth glass finish make it easy to store and clean. The bamboo lid adds rigidity and a natural look while the silicone band ensures a secure closure for daily use at work, events or for clubs and associations.
