DESCRIPTION

850 ml borosilicate glass teapot with a rounded, minimalist shape designed for everyday use in offices, hospitality settings or events. The integrated handle and angled spout provide a steady pour, while the bamboo lid adds a natural finish; note that bamboo is a natural material so slight colour and size variations may occur. Care recommendation: handwash to protect the bamboo lid and clean the glass gently.

The Munnar teapot includes a stainless-steel infuser and measures 19 x 13 x 11 cm, making it convenient for brewing multiple cups and easy storage. The soda-lime glass offers a clear, smooth surface and a refined, no-fuss appearance suitable for regular use.

Customise this teapot as a promotional item using techniques such as digital printing, doming, laser engraving and pad printing — ideal for companies, clubs, associations, events and client gifts.
