DESCRIPTION

Unisex beanie in RPET, the Marco Rpet model, made for comfortable everyday wear. The stretch-knit construction features a simple, cuffless shape with a neat top finish; dimensions Ø20x21CM provide a close fit without excessive volume. The RPET fabric has a soft hand and good elasticity, making it easy to care for. The beanie is offered in several colours, for example Black, White/Black and Blue.

The knitted texture visible on the photo shows an even stitch and a central seam at the crown, giving a tidy appearance in use. With no additional trims, the beanie is lightweight and versatile, suitable for corporate, club or event use.

This personalised beanie is ideal for embroidery. We personalise accessories for companies, sports clubs, associations, events and private customers.
