DESCRIPTION

Unisex stretch beanie with a folded cuff, knitted in soft RPET for comfortable everyday wear. Its classic shape and cuff provide a secure fit while the fine, flexible knit offers good elasticity. Dimensions Ø20X21CM, available in several colours including black, white/grey and blue. The Polo Rpet model is suitable for urban wear, outdoor activities and team use.

The folded cuff reinforces the front section and improves hold; the finish is clean and the construction presents a uniform look without unnecessary details. Easy to wear and suitable for a discreet logo placement on the cuff or front depending on the desired appearance.

Customisation by embroidery is available: ideal for companies, sports clubs, associations, events and private customers looking for a personalised beanie. Minimum order: 120 pieces (colours and sizes combined). Our design studio can vectorise or retouch your logo before embroidery.
