DESCRIPTION

The A5 Note Rpet is a hard-cover notebook designed for professional use, events and everyday note-taking. It features a RPET 600D hard cover and 160 lined pages (80 sheets) of recycled paper, bound with an elastic closure and matching ribbon bookmark. At 21 x 14 x 1.3 cm it’s compact and easy to carry. The cover shows a textured, durable finish that holds up to frequent handling.

Practical details include the integrated elastic strap, fabric ribbon marker and a discreet RPET tag on the edge. The lined pages support tidy handwriting and the binding allows stable opening. The notebook is available in multiple colours — for example Black, Navy Blue or Mint — among 14 options in total.

This personalised notebook is suitable for companies, sports clubs, associations and events and can be customised using flex, screen printing, multicolor transfer and DTF printing. Minimum order: 20 pieces (colours and sizes combined) — smaller quantities are possible with additional fees.
