Reference	9995
Composition	ABS-Wheat straw
Material	ABS-Wheat straw
Average weight	0.122
Dimensions	Ø6 x 5 CM
Country of origin	China
Carton	50 pieces

DESCRIPTION

The Round Bass+ wireless speaker features a textured housing made from ABS blended with wheat straw, giving a natural, speckled finish. Its compact cylindrical shape (Ø6 x 5 cm) houses a 3W driver powered by a rechargeable 300 mAh lithium battery (included) and a small status LED. Lightweight and portable, it is suitable for office use, events or promotional gifting.

The visible top grille disperses sound while a small side control provides simple operation; the unit offers approximately 2 hours of play time depending on use. Its small footprint makes it easy to carry in a bag or store between uses, making it practical for on-the-go listening.

This personalised speakers item can be customised by pad printing (tampography), doming or screen printing on objects — ideal for companies, sports clubs, associations, schools and private customers seeking branded giveaways. Minimum order: 25 pieces (colours and sizes combined). Free quote within 24 hours on weekdays and a graphic studio is available to prepare or vectorise your logo.
