## DESCRIPTION

The Tristan unisex tote bag is made from recycled cotton (45% recycled cotton - 55% cotton), woven and produced in France. Its simple cut and natural fabric make it suitable for everyday use, shopping or events, offering a clean, durable finish. Available in several colours, for example Noir Profond and Naturel.

The bag features long shoulder straps, a side and base gusset to increase capacity (60 x 40 x 30 cm) and reinforced strap stitching for improved durability. The construction is practical for repeated use and provides a stable carry option.

This personalised tote bag can be customised using screen printing, DTF printing, flex, multicolour transfer and embroidery. It is appropriate for companies, sports clubs, associations, schools and individuals seeking branded bags. Minimum order: 40 pieces (colours and sizes combined). Our graphic studio can retouch or vectorise your logo; free quote within 24 hours on weekdays. Collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
