DESCRIPTION

Unisex XL shopping (totebag) designed for everyday carrying and promotional use. Generous cut with a gusset (60 x 40 x 30 cm) giving high capacity; woven cotton construction with double-layered long handles and an internal patch pocket for small items. The fabric includes recycled cotton and is sanforized for improved dimensional stability — washing before first use is recommended.

Practical features include reinforced stitching around the handles and a tricolour ribbon fixed to one handle. The bag sits flat and holds heavier loads reliably, making it suitable for corporate giveaways, events or retail use; available in several colours such as Naturel, Marine and Royal.

This personalised shopping (totebag) is available from a minimum order of 10 pieces (colours and sizes combined). Customisation options: screen printing, DTF printing, flex and multicolour transfer — ideal for companies, sports clubs, associations, events and private customers. Free quote within 24 hours on weekdays; standard and express production options, collection in Evere or delivery in Belgium, France and Luxembourg.
