DESCRIPTION

The unisex Brieuc duffel is woven in France from cotton with 50% recycled content. Its cylindrical shape offers a generous capacity (60 x 40 x 30 cm) and a full-length metal zip down the centre for easy access. Double-layered carry handles (44 x 2.5 cm) are spaced 24.5 cm apart, providing a stable grip and a clear area for marking. The fabric is sanforized for improved dimensional stability; gentle washing is recommended to preserve the canvas.

Construction details include reinforced stitching at the handles and a tricolour hem label attached to a handle. The simple, pocket-free design maximises usable volume and the long zip makes loading sports kit or travel items straightforward.

This personalised duffel can be customised by screen printing, DTF printing, flex or multicolour transfer. Suitable for companies, sports clubs, associations, events and private customers. Minimum order: 15 pieces (colours and sizes combined) as stated on the product sheet. Our graphic studio can vectorise or refine your logo before production; free quote within 24 hours on weekdays, collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
