DESCRIPTION

The Gaël pouch is an unisex small bag made from organic cotton, sized to hold a pair of shoes or a folded tee. Its straightforward cut and natural fabric give a soft hand and practical structure; the listed dimensions (60X40X30CM) make it useful for light storage and transport. Closure is by a double cotton drawcord, making it easy to open and secure, and a small tricolour tag indicates French manufacture.

Woven construction and visible seams provide durability for repeated use, suitable for clubs and events. The double cord helps retain contents during handling. Care is simple: gentle washing is recommended to preserve the organic fibre.

This pouch can be customised as a personalised pouch using screen printing, DTF printing, flex or multicolour transfers. Recommended for companies, sports clubs, associations, events and private customers. Minimum order: 60 pieces (colours and sizes combined). Free weekday quotes and our studio can retouch or vectorise your logo.
