DESCRIPTION

The Clovis unisex waist bag is made from woven cotton and sized M (46x43x17 cm) for a low-profile everyday carry. Its sanforized fabric and double-layer adjustable waistband with metal buckles provide durability and a secure fit. A metal-zip main compartment and an interior pocket keep items organised while the simple, rounded shape preserves a neat silhouette. The bag is offered in several colourways, such as navy, natural or deep black.

Visible details — reinforced stitching on the belt and a metal zipper — support regular use and make maintenance straightforward. The cotton surface delivers a stable print area suitable for most decoration methods.

We personalise the bag using screen printing, DTF printing, flex or multicolour transfer. Ideal for companies, sports clubs, associations, events and individuals looking for a personalised waist bag; minimum order: 10 pieces (colours and sizes combined). Our graphic studio can vectorise or refine your logo for production.
