Hardcap Aerolite® micro visor safety cap

JSP · Ref. AAG000-002-100

Reference	AAG000-002-100
Brand	JSP
Material	Polyethylene
For	Unisex
Country of origin	Malaysia
Carton	20 pieces

DESCRIPTION

Unisex 5-panel cap designed for safety and frequent wear: the Hardcap Aerolite® combines a robust polyethylene shell with a lightweight lining while remaining notably light. The shape covers the head comfortably and features a micro visor; mesh side panels improve airflow. Available in several colours, including Black and Navy, in one size.

The construction emphasises comfort and ventilation: an internal sweatband and Air-Flow technology reduce heat build-up during extended use. Stitching appears tidy and the small visor gives sun protection without obstructing sight. The cap meets the EN 812 standard for protective headwear.

This personalised 5-panel cap can be customised from one piece and suits companies, sports clubs, associations and events. Personalisation techniques available include embroidery, screen printing transfers, DTF printing, flex and MSO transfer. Free quotes within 24 hours on weekdays and our studio can vectorise or retouch your logo.
