Reference	AR1589
Composition	Metal
Material	Metal
Average weight	0.028
Dimensions	9 x 3,1 x 0,6CM
Country of origin	China
Carton	200 pieces

DESCRIPTION

The Columbus keyring pairs a metal fitting with a PU strap for a neat, durable finish. Intended for everyday use, it carries keys and small items securely on a sturdy metal ring. Its compact size (9 x 3.1 x 0.6 cm) makes it easy to slip into a pocket or bag. Metal and PU surfaces can be wiped clean with a damp cloth for basic care.

The photo shows a slim metal plate covering part of the PU strap, fixed by a metal clasp that provides a tidy assembly. Visible stitch detail on the PU adds a refined touch while the standard ring ensures straightforward attachment. The item is offered in several colours, for example Marron, Noir and Bleu Marine.

Suited to businesses, sports clubs, associations, events and private buyers, this personalised keyring can be decorated by doming, laser engraving, pad printing or embossing. Minimum order: 100 pieces (colours and sizes combined); smaller quantities may be possible with additional fees depending on the product.
