DESCRIPTION

Unisex 5-panel cap designed for sporting and everyday use. Made from 100% recycled polyester with an ultra-soft sweatband that breathes and wicks moisture for lasting comfort. It features a pre-curved peak, sewn ventilation eyelets and a one-size adjustable fit via a fabric strap with a triple-slider buckle. The detachable label allows easy rebranding.

Practical details include structured front panels and neat stitching for a clean look. Silicone-printed accents and an internal breathable band improve comfort during activity. The cap is available in several colourways, for example Black/Kelly Green, Black/White or Navy/Sky.

Customise this personalised 5-panel cap from a single unit: we offer embroidery, DTF printing, flex, screen printing transfer and Transfert MSO. Suited to companies, sports clubs, associations, events and private customers; our design studio can also retouch or vectorise your logo before production.
