DESCRIPTION

Unisex chunky knit beanie designed for warmth and comfort. It features an invisible-seam crown and a wide fold-over cuff that creates a flat area perfect for patch application or branding. Made from a 50% recycled polyester / 50% acrylic blend, the thick knit has a pronounced texture and keeps its shape with regular wear. One size fits most, with care following standard guidelines for these fibres.

The wide cuff provides a stable surface for a badge or print and the chunky ribbing reinforces the edges for everyday durability. A TearAway label makes re-labelling straightforward for professional use. Available in several colours including Cloudy Haze, Espresso Haze and Midnight Haze.

This personalised beanie can be customised from a single piece. Available decoration techniques: embroidery, screen printing transfers, MSO transfer, DTF printing and flex. Recommended for companies, sports clubs, associations, events and individuals seeking a neat, long-lasting personalised item.
