DESCRIPTION

Unisex beanie made from 100% recycled polyester, knitted in a ribbed stitch and offered in one size for a comfortable fit. The crown uses invisible seams to improve shaping without bulk, while the wide cuff provides warmth and stability. Care is straightforward for polyester accessories; avoid hot washing and harsh tumble drying to maintain shape and fabric performance.

The wide cuff features a tonal serge patch that creates a flat, optimised area for decoration. A TearAway label makes re-labelling easy. The ribbed knit gives the beanie good elasticity and long-lasting fit in regular use.

This personalised beanie can be customised from 1 piece on a wide range of textiles and is suitable for companies, sports clubs, associations, events and individuals. Available decoration techniques: screen-print transfer, MSO transfer, DTF printing, flex (heat transfer vinyl) and embroidery. Our design studio can retouch or vectorise your logo for the best result.
