Composition	100%
Material	100% Recycled polyester
Average weight	100 g
For	Unisex
Label	Tear-away (ideal for branding)
Country of origin	China
Carton	96 pieces

DESCRIPTION

Unisex one-size patch beanie designed for warmth and comfort. Made from 100% recycled polyester with a micropolar lining, it offers soft insulation while keeping a slim, wearable profile. The decorative patch is constructed in twill cotton and the folded ribbed cuff ensures a secure, classic fit on most heads. A TearAway label makes re-labelling straightforward.

At use, the beanie features a simple functional cut: thick cuff, discreet top seams and a fine knit texture that conforms to the head. The synthetic fabric is easy to care for and maintains its shape through regular wear, making it suitable for outdoor activities and everyday use.

Personalise this personalised patch beanie from a single piece with embroidery, screen printing, transfers, DTF printing or flex. Our graphic studio can retouch or vectorise your logo to ensure a clean print or stitch. Recommended for companies, sports clubs, associations, events and private customers.

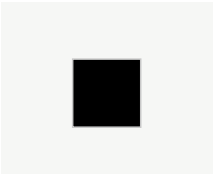

KEY FEATURES

- TearAway label, easy to re-label.
