## DESCRIPTION

Unisex beanie made from organic cotton, knitted in a single layer for a lightweight, breathable feel. The crown is shaped for comfort and the one-size design fits most head shapes. The visible rib knit provides stretch and good structure without bulk.

The style features a wide folded cuff that is well suited to applying a patch or logo. A TearAway label allows easy removal of the internal brand tag. The simple finish and ribbed construction help the beanie retain its shape and make it easy to care for.

Designed as a personalised beanie, it can be customised from one piece. Possible techniques: screen printing transfer, MSO transfer, DTF printing, flex and embroidery. Recommended for companies, sports clubs, associations, schools, events and private customers; our graphic studio can retouch or vectorise your logo for a clean result.
