DESCRIPTION

Unisex 5-panel trucker with a padded front panel and padded visor for a structured look and comfortable wear. Constructed mainly from polyester with a recycled-polyester rear panel as specified, this trucker is lightweight and durable for everyday use. One size with an adjustable snap at the back makes it easy to fit different head sizes; care is comparable to other synthetic textiles.

The cap features a slightly curved visor and clean stitching that preserves its shape. A removable label allows easy re-labelling, while the snap adjustment ensures a secure fit. It comes in several colourways — for example Black/Dark Olive, Navy/Red and Sunflower/Heritage blue — making it easy to match team or event palettes.

This personalised trucker can be customised from a single piece. Customisation options include embroidery, screen printing transfer, MSO transfer, DTF printing and flex. Suitable for companies, sports clubs, associations, events and private individuals; free quotes within 24 hours on weekdays and a graphic studio available to vectorise or retouch your logo.
