DESCRIPTION

This unisex 6-panel cap has a low-profile, unstructured fit made from washed brushed cotton for a soft, vintage feel. It features ventilation eyelets for breathability and a pre-shaped curved peak that sits comfortably over the face. One Size with a fabric adjustment strap and brass-effect buckle; it also includes a detachable TearAway label for easy re-labelling. Care should be followed as per the manufacturer's guidance.

In use, the curved peak provides sun protection while the lightweight construction keeps the cap comfortable for everyday wear. Discreet stitching reinforces the shape without adding stiffness, resulting in a relaxed silhouette suitable for indoor and outdoor activities.

This personalised cap can be customised from a single piece. Possible techniques: screen printing transfer, MSO transfer, DTF printing, flex and embroidery. Recommended for companies, sports clubs, associations, events and private individuals seeking a neat, durable branding solution.
