## DESCRIPTION

Unisex 5-panel cap in corduroy made from organic cotton, offering a comfortable yet structured feel. It features a flat crown and a short peak for a subdued, urban look that remains lightweight to wear. One size fits most, and care should follow the manufacturer’s guidance to preserve the corduroy texture.

Details include antique-silver eyelets for ventilation and a fabric strap with a buckle and eyelet for size adjustment. A TearAway label makes it simple to replace or remove the branding tag. The fine corded texture adds subtle depth without bulk.

This personalised 5-panel cap can be customised from a single piece and is available in several colours (for example Black, Oxford Navy and Stone). Possible decoration techniques: screen printing transfers, MSO transfers, DTF printing, flex and embroidery. Suited to companies, sports clubs, associations, events and private customers seeking a durable, brandable cap.
