DESCRIPTION

This unisex bucket hat in velour is made from 100% organic cotton with a cotton serge internal sweatband for comfortable wear. The classic drop-brim shape and corded texture give a soft yet structured look suitable for everyday outdoor use. It is available in several colours — for example Black, Forest Night and Oxford Navy — and in sizes S/M and L/XL; the hat features a removable label for easy re-labelling.

The fabric shows a ribbed, velour-like surface and neat stitching that help maintain the brim’s shape. Care is straightforward thanks to the cotton construction — follow the garment care instructions to preserve the material and colour. The internal band improves fit without altering the overall silhouette.

This personalised bucket hat can be ordered from a single piece and is ideal for companies, sports clubs, associations, events and private customers. Personalisation options include DTF printing, screen printing, transfer, flex and embroidery. Our in-house design studio can retouch or vectorise your logo to ensure the best finish.
